

## Enhance your Gelato Cones matched with a paper cone, customized with your brand.

*Hygiene and marketing in a single product  
to sign the goodness of your ice cream.*

Most of our Vanillino, sugar and waffle cones, and Dolcecono wafer cones, could be supplied already matched with a paper cone (sleeve), that we name **Salvacono**, printed with your customized logo.

### There are 3 different types of sleeves: A, B and C.

Type will be chosen based on of the cone to be matched. Different shapes of cones, also with different dimensions, can be matched with the same type of paper sleeve. Please, check the attached table for more details.

**Who makes the Salvacono:** The Salvacono with customized graphics, will be made by specialized companies, our suppliers, with **papers and inks food grade, approved for food contact**.

**Minimum Lot Print:** To realize the customized sleeves, **minimum quantity required is 100.000 pcs. (\*)** for each type. Printing times could take up to 30 working days.

*\*For less quantity (starting from 30000 pcs) contact us please.*

### Graphic realization:

The Customer sends us a graphic file **PDF-EPS-AI-JPG | Resolution > = 300 DPI**, to elaborate a draft.

We will create a graphic draft with an adapted layout on the choosed Salvacono, that will be proposed to you for approval. Once approved, we can proceed with the final order for the purchase of your Salvacono.

Unless special requests by the customer, **no additional cost is required for graphic processing**.

**Payment:** At the Confirmation of Order, the Customer will be asked for payment in advance of 50% of the entire supply of the Salvacono. Upon receipt of the goods by our supplier, full balance of the invoice will be requested, for the entire quantity ordered.

### After our supplier has delivered the paper sleeves, in our warehouse, you have 3 options:

- **Option 1** You want the entire batch of ordered Salvacono is delivered to you in a single shipping, so as we have received them.  
> No any sleeving work service will be done. For spedition to your address could be applied some spedition costs.
- **Option 2** You want to receive your Salvacono in a single delivery.  
> Cones will be supplied, already sleeved, with the choosed cones.
- **Option 3** You want to receive cones sleeved with your Salvacono in several batches.  
> It's possible schedule deliveries in several batches, for quantity not less those who are mentioned in the table below. Please check the attached table for more details.

**IMPORTANT!** The supplies of cones matched with a customized Salvacono requires at least 20 working days for delivery. To avoid this long waits it is recommended to communicate us, well in advance, a scheduled deliveries plan.
