

Salvacono Customized Sleeves

Hygiene and marketing in a single product to sign the goodness of your ice cream.

All of our Sugar and Waffle cones can be supplied already pre-coupled with a paper sleeve, **SALVACONO**, customized with the Customer's logo or design.

How to realize and order your Customized Sleeves

A wide variety of sleeves models are available, of different sizes (diameter and height). Based on the selected cone size to pair, refer please to the **Model Table** to identify the suitable models for that specific cone item. Some models can also be paired with different cone sizes, having same angle.

Who manufactures the Sleeves?

Sleeves with customized graphics and logos are produced by our specialized suppliers, using food-grade papers and inks approved for food contact.

Minimum Print Quantities

The production of Customized Sleeves requires a minimum print quantities, **starting from 30,000 units for each model**. Production times may require up to 30 working days.

Graphic Design and Proofing

We ask to the customer to send us a graphic file (in PDF, EPS, AI, or JPG format with a resolution ≥ 300 DPI) for an initial draft preparation. We will create then a graphic proof showing the layout on the selected Sleeve model and submit it for your approval. Once approved, we will be able to proceed with the final order for the customer's Sleeves. Unless specific requests are made by the customer, there is no additional charge for the graphic drafting service.

Invoicing and Payment for Customized Sleeves

The sleeves will always be invoiced for the total ordered quantity and in a single invoice. Upon Order Confirmation for the purchase, the Customer will be required to pay a **deposit equal to 50%** of the entire sleeves supply. Upon receipt of the goods from our supplier, the remaining 50% invoice balance will be requested.

... and then, when your customized Sleeves will be ready to pair ...

- As soon as our supplier delivers your Customized Sleeves, we will be ready to receive your orders, at any time.
- Sleeves will always be supplied pre-coupled to the choose cone format, ready for use in your gelato shop.
- Since this is a special manufacturing process, please **allow at least two weeks** for your order to be processed and delivered. **The minimum order quantities for the cone, pre-coupled with sleeves, cannot be lower than those indicated in the Models Table, in the Minimum Delivery Lots column.**
- Your unused Customized Sleeves will remain available in our warehouse, ready for your next orders, even over multiple seasons.
